Chieftain Remembrance Walk

Memorial T Brick

Thank you for supporting the Chieftain Remembrance Walk. Your $45 donation will purchase a personalized brick, which will be installed as a permanent part of this wonderful project.

You may order a brick with one, two, or three lines of text. The maximum length of each line is fifteen (15), including letters, numbers, spaces, commas, periods, or other symbols. We reserve the right to request that appropriate wording be on the brick face. Please allow the immediate family the privilege of ordering the memorial brick to be placed in the "T" letter. You however, may honor the memory of your friend by purchasing a brick to be placed in the outlying area surrounding the "T".
